

Mardi Gras Impacted Service Centers: New Orleans, Lafayette, Mobile, Baton Rouge

Mardi Gras celebrations will impact service in New Orleans, Lafayette, Mobile, and Baton Rouge February 8-12, 2016. All service centers will be open but will run limited operations Monday and Tuesday because of parades and customers closing for the holiday. We will run 100% of the service areas starting on Wednesday and expect customers to be open for normal business the rest of the week.
