---

When requested by the consignor or consignee, extra labor will be furnished by the carrier for loading and/or unloading. At each location where extra labor is used Monday through Friday during normal business hours, the fee will be \$145 per hour or fraction thereof.

Time shall be computed from the time the extra labor arrives at the place of pickup or delivery until loading or unloading is completed. This charge will be in addition to all other charges and will be assessed against the consignor if the extra labor is used for loading and against the consignee if the extra labor is used for unloading. Extra labor will not be furnished unless requested by consignor or consignee.
