NOTIFICATION PRIOR TO DELIVERY

When Notification Prior to Delivery is requested by any means whatsoever (See NOTE A), a charge of $25.00 per shipment will apply. Requests for this service not noted on the bill of lading shall be paid by the requesting party or guaranteed by the shipper.

NOTE A: Notification Prior to Delivery applies whenever the original bill of lading or subsequent versions lists a requirement for a delivery appointment, a call ahead, a “call 24 hours in advance”, a “call to schedule delivery” or similar phrase. This service and corresponding charge applies both for traditional delivery appointment coordination and courtesy en route-to-delivery calls initiated by the carrier as indicated on the bill of lading or otherwise requested by one of the parties to the shipment at any point during transit.
