

# FULL VALUE INSURANCE

Southeastern Freight Lines can provide cargo insurance for those goods that originate within the SEFL direct service area. This insurance covers the amount of the invoice as supplied by the shipper to consignee, plus 10% of the invoice up to purchased amount of coverage.

## THE BENEFITS

Should loss or damage occur, cargo insurance preserves the relationship between the shipper and consignee because the insurance protects 100% of the risk and there is no deductible. You deal directly with Southeastern Freight Lines by telephone, facsimile or contacting your local Southeastern Freight Lines representative. There are no intermediaries. Claim is filed directly with Southeastern.

**CONCEALED DAMAGE MUST BE REPORTED WITHIN 5 CALENDAR DAYS FROM DATE OF DELIVERY, AND CLAIMS WILL BE HANDLED ON A CASE BY CASE BASIS. LIABILITY WILL ALSO BE HANDLED ON A CASE BY CASE BASIS.**
