

PARTNERSHIP NETWORK

DEPENDABLE COVERAGE

throughout NORTH AMERICA

Southeastern Freight Lines, a privately-owned regional less-than-truckload transportation services provider founded in 1950, specializing in next-day service in the Southeast and Southwest.

SOUTHEASTERN FREIGHT LINES

- Our network of service partners is comprised of next day providers that deliver throughout the United States, Canada and Mexico.
- Privately owned, non-union carriers with a shared commitment to quality service
- Regional next day specialists
- Daily, dedicated linehaul schedules utilizing sleeper teams and load bars where beneficial
- Fewer breakbulks and less handling than “national” carriers
- Electronic data interchange (EDI) allows for through-tracking (complete visibility)
- Seamless Service - Deal Directly with Southeastern Freight Lines on any issues regarding your shipment
- Allows you to single source via Southeastern versus having to manage multiple carriers
